2021 Fall & Christmas

Brenda E. Austin

Hello and welcome! It is my pleasure to present this body of work to you for the 2021 Fall & Christmas Season. Included you will find many new resources for small ensemble ringing, solo bells and Bell Tree. Additionally, there are songs for full ensemble ringing and educational resources.

Many of us had to take a break from rehearsing and ringing this past year. My hope is that in the coming months we will see music programs, churches and schools open up and begin to make collaborative music again. Our world needs the healing power of music, and Hope Publishing wants to be part of that process with you.

May you find these resources helpful for your music ministries, school and community programming.

If you haven't already, join the conversation on Facebook at [Bring the Ring](#). Connect with other handbell enthusiasts and learn what creative ideas others are doing to put handbells back in the hands of our ringers. Additionally hear from our composers as they talk about handbells and their music.

Enjoy!

I HEARD THE BELLS ON CHRISTMAS DAY

Johnny Marks/Arr. Jason W. Krug

A joyous bell peal leads to the first iteration of the theme before moving into a more flowing verse accompanied by delicate mallets on treble handbells. An optional dark and dissonant verse (which portrays one of the lesser-known stanzas of the Longfellow poem) gives way to a verse in minor before a triumphant return to major to depict the lyrics "Then pealed the bells more loud and deep/ God is not dead, nor doth he sleep..." An exciting and beautiful addition to your holiday worship or concert.

HYMNS & HANDBELLS, Vol. 2

Easy Handbell Accompaniments for Congregational Singing

Arr. Joel Raney & Lloyd Larson

These 40 easy hymn accompaniments are designed to enhance and heighten the power of hymn singing in worship by adding the brilliance of handbells. Each of the hymns are arranged in two settings to be played with the organist, or pianist, and are compatible with most hymnals. Setting one encompasses the full 3-5 octaves with chordal accompaniment, while the second version is for treble

clef only in a descant/ostinato style – played in octaves. With “easy-to-learn” as their top priority, many of them can be played without a bell table.
