HOPE PUBLISHING COMPANY

Greetings from Hope Publishing Company!

By now, most choirs have re-grouped and are well on their way to 'back-to-normal'. Some of you probably have been for a while. While the 'pandemic pause' has certainly taken its toll on church music, it also provided many of us with learning opportunities, as well as, extra time to reflect and plan. There's no telling how many choir directors are now versed in video editing and new forms of digital communication. Thankfully, there's no way the choral experience can be replicated on Zoom, and we've all developed a new appreciation for the joy that comes when we join our voices together in the same space.

We at Hope Publishing are thrilled to be back in the swing of things, and excited to offer this collection of work from our many talented writers. Much of this choral list was released in 2020 but it was not given the exposure it deserved, so here it is again. There are also plenty of new keyboard and instrumental titles that were written and published over the past year. The quality of the writing we're seeing is superb. It's inspiring that so many composers forged ahead and found new depths of inspiration and creativity which you'll hear as you listen to these exciting new offerings.

We've taken extra care to make this release useful by offering a wide variety of styles, and most importantly, plenty of music that's accessible as we all find our way back to our full-throated selves. It's likely that many choirs are somewhat smaller, at least for a while, so you will find lots of music here that is geared for quick success, without sacrificing creativity.

We thank you for all you do to lift hearts and inspire congregations, and hope you'll find music here that will do the same.

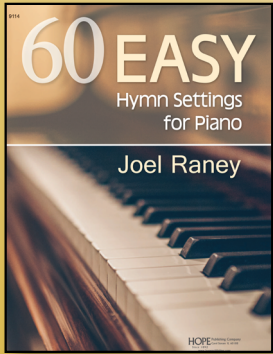

Joel Raney, Editor

The message of Christmas is a message of joy—and becomes the central theme that is woven throughout this 37-minute musical by Lloyd Larson. Easily learned, this work contains eight selections of both new and familiar carols and spirituals, along with Keith Getty's powerful song "Joy Has Dawned." The work is dynamically arranged for SATB choirs and orchestra, and is filled with the joy of the season which congregations will find appealing, as the message embraces the hope that we have in both the good days and the bad—that joy has dawned upon the world—giving us something to celebrate!
