# HOPE PUBLISHING COMPANY

Greetings from Hope Publishing Company!

I trust that by the time you read this, choral music will be seeing light at the end of the tunnel. What a year we've had!

Being unable to gather with our community of choristers has been frustrating, but it has also taught us the immeasurable value of being a part of a choir. Directors miss it. Singers miss it. And the folks in the pews miss it. Thankfully, we seem to be on the cusp of renewal.

As you go forward reopening your choir rooms and rebuilding your music programs, we hope these selections will serve to inspire and invigorate you. Most of you probably were caught in the middle of rehearsing Easter music when everything shut down, and it will take time for you to get caught up. But our wonderful writers found extra time to create, and we have some exceptional new music to offer you, whenever you're ready to consider it.

Even if you're not yet able to have live rehearsals and worship, I hope you'll listen to these selections and be uplifted by the energy and love that our writers poured out with their pens. Please take special note of our new **virtual choir resource kits** (with more to come soon), especially if you're still in transition to live worship.

The world needs the healing power of music now more than ever. We at Hope thank you from the bottom of our hearts for hanging in there, and we wish you God speed as you once again go forth to lift hearts and inspire congregations everywhere.

Joel Raney, Editor

## A Prayer

### PEACE

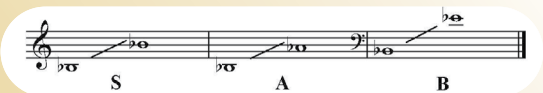

Patricia Mock/Arr. Richard A. Nichols

This is an ideal anthem for services dealing with prayer for peace in our world and the prayer for the light of Christ to shine: "In a world where hatred seems so strong, may your grace right the wrong. Give your peace." Whether it is the strife we see around us, the worry we feel inside, or the shadows that gather during the course of our lives, we need God's peace.

## WHO IS JESUS?

A Tenebrae Service

by Joel Raney

Not "Who Was Jesus?" but "Who Is Jesus?" The question is asked in the present tense because it's Christ's interaction with our lives in the here and now that is the focus of this 30 minute Tenebrae service. The events of Holy Week are presented through enticing arrangements of familiar hymns and spirituals plus narration, culminating with the crucifixion story in a moving rendition of "O Sacred Head Now Wounded." There are opportunities to include vocal solos, as well as, congregational singing. The accompaniment can be provided by piano, CD track, or a chamber ensemble of five instruments. A further option is an organ part that can work with just piano or can be added to the chamber instruments. Finally, there are instructions for lighting and extinguishing seven candles ending in darkness with all softly singing of the first verse of "Fairest Lord Jesus."

# Spring & Easter Cantatas

## AT HIS NAME

by Joel Raney

This 30-minute musical reflects on Jesus's ministry and life on earth, and looks at the monumental effect his name has had on history. Told through six choral anthems with narration this work traces Jesus' life from his first preaching to the final momentous events of his passion. The music is mostly original and covers a range of styles. Accompaniment can be provided by just piano, CD or Ed Hogan's orchestration. The half-hour length makes it ideal for including in a worship service anytime during Lent, or Holy Week, and it would be particularly poignant on Palm Sunday.

## I Am the Lord of the Dance

A Musical for Holy Week

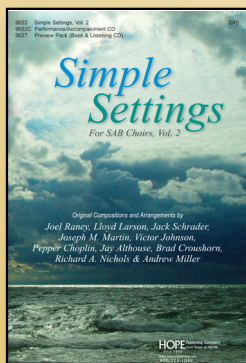

by Joel Raney

Sydney Carter's classic hymn, "Lord of the Dance," is a metaphor of the life of Christ. This 30-minute musical from Joel Raney is an elaboration on that hymn, portraying each verse individually in a dramatic, colorful presentation. Appropriate for use anytime during Lent or Holy Week and for Palm Sunday or Easter morning, there is an additional narration and underscore that leads into an exciting, complete setting of "Lord of the Dance," celebrating Christ's victorious resurrection. The piano accompaniment works extremely well by itself, while the optional instrumental parts require a minimal number of players and will enhance the overall effect.
