# 2021 Winter & Spring

Brenda Austin

Hello friends,

I hope that this publication finds you well and able to have handbells ringing in your lives. Please take special note of our newest releases for distance ringing. Many of you have asked for small ensemble repertoire, and we have created several new 8 and 12 bell settings.

If you are not able to ring right now, please enjoy these selections and let the music wash over you as a healing balm. I encourage you to continue to reach out and connect with your ringers, even if you are not able to make music together. If you are able to do so safely, create beautiful music. Our souls need music, perhaps more now than ever.

If you haven't already, join the conversation on Facebook at [Bring the Ring](#). Connect with other handbell enthusiasts and learn what creative ideas others are doing to put handbells back in the hands of our ringers. Additionally hear from our composers as they talk about handbells and their music.

Warmly,  
Brenda Austin, Handbell Editor

Now available are settings for Two-Part Mixed, TTBB, and a vocal solo plus a new 3-5 octave Handbell setting that can stand alone or serve as the accompaniment for all the vocal versions.
